The general average is calculated based on the totality of all marks obtained (including those units not validated).

<i>ECTS Grading Scale</i>	Grades
The top 10% validating this course module	A
The next 25% validating this course module	B
The next 30% validating this course module	C
The next 25% validating this course module	D
The remaining 10% validating this course module	E
Incomplete: some more work required in order to pass	FX
Fail: Considerable further work is required	F
The size of the group doesn't allow for a grade to be calculated. (The number should be at least equal or over 30) The quality of the work provided is therefore indicated by a mark out of 20 (0 – lowest score, 20 – best score).	NS

ECTS: - European Credits Transfer System.

Mark/20
